Whether your guest list includes 10 VIPs or over 1,000, our tribal-owned culture shines through with our unmatched guest service and dedication to excellence, called our Spirit of Aquai. Every planner knows the biggest compliment is a repeat booking and our Spirit of Aquai is what helps us achieve over 70% repeat bookings of large group events.

OUR CULTURE

Mohegan Sun is owned and operated by the Mohegan Tribe of Connecticut, which has long been committed to developing Mohegan Sun into one of the most respected and celebrated casino complexes in the United States while also living by a set of established values that celebrate and protect the tribe's identity. The tribe is also heavily involved in charitable giving, supporting hundreds of community initiatives each year such as food drives, volunteer work, holiday toy distributions, and serving as a Platinum level United Way Corporate Benefactor among numerous additional efforts.

Living by the Mohegan Tribe's principles and always striving to live up to the core values of the Spirit of Aquai, we have created a culture at Mohegan Sun that provides a strong and secure foundation for future endeavors. A culture that is built not just for today's successes, but tomorrow's growth.

OUR LEADERSHIP

Chief Mutáwi Mutáhash (Many Hearts) Marilyn "Lynn" Malerba, is the current Lifetime Chief of the Mohegan Tribe, and the first female Chief in the Tribe's modern history. Lynn is a former registered nurse who earned a doctorate in Nursing Practice from Yale University. She is an active member of the Tribal Advisory Committee for the National Institute of Health, Chairwoman of the Tribal Self-Governance Advisory Committee of the Federal Indian Health Service (IHS) and also a member of the board of directors for the Ms. Foundation for Women.

As part of her many duties as Tribal Chief, Lynn seeks to continue the tribe's hands-on approach to hospitality within Mohegan Sun. Her spirit is infused throughout the property with Mohegan tribal references found in the details of the carpet patterns, hand-crafted bead work and historically significant elements blended into the decor.

Spirit of Aquai

As an extension of the Mohegan Tribe of Connecticut, it's important to us to live and operate according to "The Spirit of Aquai." This centuries-old guiding philosophy infuses our everyday lives with welcoming, mutual respect, cooperation and building relationships — four key principles that truly define who we are and how we treat each other. The Spirit of Aquai became our North Star when Chief Uncas made the decision to partner, rather than fight, with the settlers.

This exclusive culture shines through to each and every event. Every planner knows the biggest compliment is a repeat booking and our Spirit of Aquai is what helps us achieve over 70% repeat bookings of large group events.
